

The Hawk Herald

January 2018

Brought to you by the Hyman Fine PTO

PTO meetings are every 2nd Thursday at 6pm in the library
Be on the lookout for volunteer opportunities

Calling all 4th Grade parents! The 4th grade is looking for some volunteers to help with the yearbook and end of the year celebration.

**An email has been set up to receive pictures to be used in the yearbook. The names of all students in the pictures must be included and the pictures must be from events that have taken place at school.

News from the School Nurse

Shelley Fisher, RN, NCSN

The cold temperatures are a reminder that winter and cold and flu seasons are here. The common cold is highly contagious; it can be inhaled or picked up from tainted surfaces and rubbed into the eyes, nose, and mouth. Combat cold and flu with frequent hand washing, keeping hands away from the eyes, nose, and mouth, and receiving the influenza (flu) vaccine. Other ways to boost your immune system to help fight off illness are healthy eating, regular exercise, getting enough sleep (elementary aged children should get 10-12 hours of sleep per day), and decrease high levels of stress.

School's guidelines of when to keep your child home from school to help to minimize the spread of illness.

School Guidelines are:

- A temperature greater than or equal to 100.4
- Your child must be fever free for 24 hours, without the use of fever reducing medication such as Motrin/ibuprofen or Tylenol/acetaminophen
- Your child must be without vomiting for 24 hours
- If your child is placed on antibiotics s/he must complete 24 hours of dosing prior to returning to school

Please send your child to school wearing outerwear that will keep them warm and allow them to enjoy their time outside during the cold weather months.
