Message from the School Nurse:

I would like to take this opportunity to remind you that the learning areas at Hyman Fine are “nut safe”. Please remember this when you are sending in a snack for your child. If you think that your child may have a difficult time choosing the nut safe snack, you may want to designate a specific area of the backpack to put the classroom snack.

** Please be sure that a healthy nut safe snack is sent in with your child daily.

Please make sure your children are dressed appropriately for the weather. Outdoor recess will take place, if weather permits.

Placing a Lip Balm in your child's backpack this time of the year will prevent the discomfort of chapped lips during the school day.

Thank you!!
Karen Mages, RN
